IKS-TKDL Workshop-9

On Traditional Knowledge - Intellectual Property & People's Rights [Online Mode]

Dates:

Lecture Sessions: 8th to 12th December, 2025

Assessment: 15th December, 2025

Interactive Sessions: 22nd and 23rd December, 2025

Time: 3:30 p.m. to 5:00 p.m.

Background:

India is home to rich culture and traditions that have traversed over thousands of years, and continue to be relevant to our current and future times. **The National Education Policy (NEP)-2020 lays emphasis on an inclusive curriculum wherein traditional knowledge finds an important place, for both teachers and students.** The Indian Knowledge Systems (IKS) Division of the Ministry of Education and the CSIR-Traditional Knowledge Digital Library (CSIR-TKDL) Unit have joined hands to provide awareness and training on matters related to traditional knowledge in the context of intellectual property rights (IPR) as well as the knowledge holder(s) rights. This initiative by the IKS Division and CSIR-TKDL Unit is towards disseminating the value that our traditional knowledge holds towards addressing national aspirations on growth and development, while also laying emphasis on the ethical principles that need to be followed while handling and working with such knowledge.

Objective:

The course on Traditional Knowledge - Intellectual Property & People's Rights aims to:

1. Equip learners with knowledge of Indian Knowledge Systems (IKS), Traditional Knowledge (TK), Intellectual Property Rights (IPR), and People's Rights.
2. Provide insights into our rich heritage and key IPR topics, including Patents, Copyrights, Trademarks, Plant Varieties, and Geographical Indications.
3. Emphasize ethical research principles in TK, recognizing both codified and oral knowledge, with a focus on protecting the rights and livelihoods of knowledge holders.
4. Enhance academic and professional understanding of TK, IPR, and People's Rights, covering awareness, protection criteria, rights, and ethical guidelines for handling TK.

Specific Requirements / Eligibility:

Participation in the workshop is open to all members of the IKS Community, UG & PG students, Research Scholars, all levels of Faculty Members and independent researchers keen to learn about the subject.

Language:

Lectures and discussions will be carried out in English, with use of Hindi, where feasible
