Notes for Editors (if applicable):

Feel free to customize this template based on the specific requirements of the Wiki platform you're using and the nature of the article you're submitting!

Guidelines for Wiki articles:

The Indian Knowledge System (IKS) invites enriched articles for its knowledge repository.

What is IKS?

In a simple language, IKS is about understanding our unique Indian perspective and approach on learning any subject such as Mathematics, Astronomy, Chemistry, Metallurgy, Zoology,

Botany, Geology, Anatomy and Physiology, Pathology, Physiotherapy, Geography, Treatment for Plants, Veterinary Science, Architecture, Knowledge of Mines, Cosmetology and Perfumery, Aeronautics, Military Science, Natural System of Medicine, Agriculture, Music, Musical Instruments, Dance, Drama, Aesthetics, Metrical Science, Painting, Epigraphy, Economics, Textiles, Politics, Philosophy, Spirituality, Yoga, Psychology, Research Methodology, Gurukula Systems of Education, Sanskrit Grammar, Value Education, Learning languages, Physical Education, Indian Games, and so on.

Our Aim in This Initiative:
We, the Indian Knowledge System (IKS), invite articles in Any Bharatiya Bhasha to enrich the IKS repository with a focus on Dṛṣṭiḥ (Indian perspective), Paramparā (tradition), Laukikaprayojanam (practical utility).

Recognition:
Each published article will be awarded ₹1000/-.

Why Participate:
- Your vision and knowledge will be preserved for future generations.
- Your articles will become part of a prestigious knowledge repository.
- Receive recognition of publishing IKSWiki Open Portal.

Article Length and Word Count:
The article should be between 1000 to 3000 words.
